

Hast Thou Seen Mine Image?

(Have you seen me?)

Faire guests under 15 years of age are welcomed into the Military Academy each day at 1:30 p.m. to “join the militia” and spend a half hour in “the moste advancyd traynyng of weapons and drill”. After a presentation to Her Majesty, before the Royal Joust, each child graduates with a certificate and a metal Tudor Rose medallion on green and white ribbons.

If you see one of these children, be sure to congratulate them, honor their courage, recognize their achievement or thank them for fighting for England.
